2. BUDGET

Deliverables are offered free of charge by the James Cook University Brisbane to the Client through the work of the Developers. The Client may request the implementation of excluded functions or other features, but this is subject to payment as further negotiated.

If the implementation requires the use of software which is not freely available, the Client should provide access to it. Any third party resources, such as templates, images, SSL certificates, licenses, etc are to be delivered by the Client.

3. INTELLECTUAL PROPERTY

Any idea or deliverable emerged during the implementation of this project becomes intellectual property of the Client. This applies to all the development phases.

Third party resources used (interface template, Google Maps etc.) are subject to the terms and conditions of their owner.

This agreement was signed today, 25th Aug, 2016 between the two parties, leading to the project's commencement:
